As we move from 2016 into the new year, it is time to take stock and review our portfolio. Time to look forward to 2017 and the investment opportunities. How will the year of the Fire Rooster impact us and the economies? How should we invest to take advantage of the market? Join us to hear from our Feng Shui expert, Ms Charies Cheng and RHB Research Institute analyst, Mr Goh Han Peng as they share their expert insights.

## **Seminar Outline:**

### **Creating Success & Luck for Your Chinese Zodiac Sign**

- ‘Fire Rooster’ year: What it means and it’s implication to you
- Overview of the 12 Zodiac Animals’ luck
- How to maximise your luck by colour, orientation and timing
- How to enhance your house and office Feng Shui in 2017

### **Picking Gems in the Singapore Market in 2017**

- Key themes and risk in the Singapore market
- Stock picks and recommendations for 2017
