You must have a good plan or strategy for all activities to do well. Investment is no exception. You need a winning strategy and proper implementation in order to be successful.

There are different investment techniques that are well known today – Some are more complicated, while others are easier to enforce. Using holiday planning as an analogy, you could have a more complicated travel plan by scheduling your own itinerary, or easy reservation by simply signing up for a trip ticket.

This seminar will share with you some of the simple investment strategies that are easy to execute just like the itinerary of the travel package in our above analogy.

Program Objectives & Benefits requisite for the workshop participants:

- Understand the Instruments used by such Investment Strategies.
- Learn the Main Technique for such Strategies.
- Assess if such Simple Strategies are Suitable for YOU!

Your Trainer: Mr Chua I-Min

Chua I-Min, CFA is the Lead Instructor for Investor Education with A.B. Maximus & Co. Pte. Ltd. He graduated with a Bachelor of Business Administration with Honours (2nd Upper), majoring in Finance. Retail investors welcomed his flagship program “Create a Secondary Income Stream through Long Term Share Investing.” Professionally, I-Min has more than 11 years of working experience mainly in the investment industry.
